Please select your payment plans carefully. Making changes in the computer program used to manage tuition payments is difficult and consumes valuable time needed for other projects to serve ACA families.

Monthly Payment Plan Due Dates: Monthly payments must be made through an ACH (Automatic Clearing House) authorization. This is an automatic payment to ACA on the 15th of each month (June-May). A form will be sent to you in your acceptance email & it will be available on the ACA website. It needs to be filled out and returned to the office before enrollment will be finalized. This is the required method of payment for the monthly payment plan. Student enrollment is not official until all documentation is complete.

***Enrollment After July, 2017:** Students who are enrolled after July, 2017 can utilize the monthly payment plan. The yearly cost of tuition and fees, after applicable discounts, will be divided into monthly payments. The first monthly payment will be due upon enrollment. The final payment will be in May, 2018. Due to *yearly tuition* being divided into *monthly installments*, please keep in mind that a registration date of August or later will cause your monthly payments to be higher than families who begin tuition payments in June.

Ensuring Enrollment For Your Student(s): Please remember, failure to keep tuition and/or fee payments per your agreement may result in your student's name being removed from the enrollment list. This is especially important during the peak summer enrollment period. Please do not overlook your summer payments!

Refunds & Release of Contract: There will be no release from the total year's financial obligation once an enrollment agreement is signed and acknowledged. Request for release from financial obligation **may** be granted under extenuating circumstances. Such requests must be submitted in writing to the ACA Board of Directors. Records (transcripts, report cards, referrals, curriculum, etc.) will not be released by school personnel without permission from the ACA Board of Directors.
