

2018-2019 Tuition and Fee Schedule

January 10th, 2018

Dear Parents,

As we prepare for 2018-2019 and look a few years ahead, we are blessed to see God's direction to where He is leading our Administration and the growth of the school. In the coming months, we hope to announce some very exciting changes that will impact everyone at ACA in a good way! Great things are coming!

Our continued growth into 2018-2019 will see our numbers hit 140+ students, plus the addition of our 10th grade!

That being said, please don't hesitate to complete enrollment/re-enrollment forms as soon as you can to ensure room and placement for your student.

Attached you will find Antioch Christian Academy's Tuition & Fee Schedules for the 2018-2019 school year. Every year, ACA works diligently to keep the total cost of educating our students affordable for every family. The national average cost of educating a child continues to grow to over \$13,000 per child for private education. For the upcoming 2018-2019 school year, ACA is educating your child for a total of \$4,800, which is less than 1/2 of the national average. For Christian schools with comparable programs to ACA, the average cost of tuition and fees in the Oklahoma City Metro is \$6,000+ per child.

The ACA Board of Directors gives three types of discounts for ACA Families:

- **Early Re-Enrollment discount** applies to *tuition only* and will be applied to all enrollment packets submitted by Feb 29th. It is a \$50 discount.
- **Payment Discounts** apply to *tuition only* and can be obtained by selecting either the Single Payment or Semester Payment options. These discounts are covered on the next page and range from \$50-\$100 per student per year.
- **Family Discounts** apply to *both tuition and student fees* and can be obtained by enrolling more than one of your K-10th students at ACA. These discounts are covered on the next page and range from \$100-\$300 per additional student per year.

For your benefit, we have provided a Family Tuition & Fee Worksheet on the 3rd page of this packet. This should **not** be returned to the school. It is intended to help you clarify costs, discounts, due dates and payment amounts for your family.

It is a delicate balance to keep your costs at a minimum while adequately providing for our employees. Please pray for us as we seek to do both as unto Christ.

In His Service,
Ron Yocum, Principal

"For I know the plans I have for you declares the Lord; plans to prosper you and not to harm you, plans to give you a hope and future."

ACA TUITION SCHEDULE 2018-2019

<u>Yearly Tuition Cost</u>	<u>Single Payment</u>	<u>Semester Payments</u>	<u>12 Monthly Payments</u>
\$4,200	\$4,100	\$4,150 (\$2,075/semester)	\$4,200 (\$350/month)

ACA CAPITAL IMPROVEMENT FUND 2018-2019

<u>Yearly Fund Cost Per Family</u>	<u>Due Date</u>	<u>*Tax-Deductible*</u>
\$200	10/15/2018	

Please select your payment plans carefully. Making changes in the computer program used to manage tuition payments is difficult and consumes valuable time needed for other projects to serve ACA families.

Monthly Payment Plan Due Dates: Monthly payments must be made through an ACH (Automatic Clearing House) authorization. This is an automatic payment to ACA on the 15th of each month (June-May). A printable ACH form is available in the enrollment contract. Fill it out and send to the office or upload it into the enrollment contract. It needs to be filled out and returned to the office before enrollment will be finalized. This is the required method of payment for the monthly payment plan. Student enrollment is not official until all documentation is complete.

***Enrollment After July, 2018:** Students who are enrolled after July, 2018 can utilize the monthly payment plan. The yearly cost of tuition and fees, after applicable discounts, will be divided into monthly payments. The first monthly payment will be due upon enrollment. The final payment will be in May, 2019. Due to *yearly tuition* being divided into *monthly installments*, please keep in mind that a registration date of August or later will cause your monthly payments to be higher than families who begin tuition payments in June.

Ensuring Enrollment For Your Student(s): Please remember, failure to keep tuition and/or fee payments per your agreement may result in your student's name being removed from the enrollment list. This is especially important during the peak summer enrollment period. Please do not overlook your summer payments!

Refunds & Release of Contract: There will be no release from the total year's financial obligation once an enrollment agreement is signed and submitted.

FAMILY TUITION & FEE WORKSHEET

TUITION:

Total Tuition Cost: Number of Students Enrolled _____ x \$4,200 = \$_____

Discounts

- Early Enrollment Discount-Enrolled before Feb 28th: Number of Students Enrolled x \$50 -\$_____
